

Family Trees

Disclaimer: Spoilers may follow. If you find yourself missing a few posts and not caught up on all the madness, this may ruin some details for you. We tend to take familial connections very seriously around here, so the power of a name holds a great bit of meaning. Knowing a character's origin may undo the fun of that. For the rest of you having trouble telling one Merrick from another Ransom, this may come in handy. Consider yourselves warned.

TL;DR – Here there be *SPOILERS*.

Ransom

- John “Joke”
- Frain
- Toryn (child of John & Frain)
- Urban (child of John & Frain)
- Baroque (child of John & Frain)
